Raydiant

Introducing  Raydiant's Pro Content Pass!

Instant engaging, automated content for your screens!

The advertisement features a large screen displaying a movie scene from 'Avengers: Endgame'. The screen is divided into sections: 'THE LIST' and 'TOP MOVIES'. Below the screen, there are several content cards. One card is titled 'Fitness Focus' and contains the text: 'Stretching before and after a workout helps prevent injury. Hold each stretch for 10-30 seconds.' Another card is titled 'Avengers: Endgame' and contains the text: 'Weekend Gross: \$17,226,000'. There are also several smaller cards with various titles and icons.

Having trouble coming up with new content for your digital signs? Customers getting bored with the same, stale content loop?

Get all the content you could ever need delivered right to your screens with Raydiant Pro Content Pass. Choose from categories like weather, news, sports, business, health, trivia games and infotainment to curate an ever-refreshing content stream for your digital signage. Spend seconds, not hours, building engaging feeds your customers will love.

Raydiant Pro Content Pass will help you:

- Increase sales by as much as 68% with engaging, dynamic content
- Save time curating content for your digital signs—just set it and forget it!
- Maintain brand consistency with curated content that reflects your vibe
- Engage customers, keeping them informed and entertained
- Create, update, and schedule content streams remotely—from anywhere, any time
- Keep on-screen content current with up-to-the-minute information
- Significantly reduce perceived wait times for customers
